## Child and Vulnerable Adults Policy

### Policy Statement

Lound Parish Council is committed to ensuring that children and vulnerable adults are protected and kept safe from harm whilst they are engaged in any activity associated with the Parish Council.

### Policy Objective:

To ensure that where possible all facilities and activities offered by the Parish Council are designed and maintained to limit risk to children and vulnerable adults.

To promote the general welfare, health and development of children and vulnerable adults by being aware of safeguarding issues and to be able to respond where appropriate as a local government organisation.

To develop procedures in recording and responding to accidents and complaints and to alleged or suspected incidents of abuse and neglect.

As the Parish Council does not directly provide care or supervision services to children, it expects all children using its facilities to do so with the consent and the necessary supervision of a parent or other responsible adult.

### Aims

The aim of this policy document is to guide members of Lound Parish Council should any child protection issue or concerns relating to vulnerable adults arise during their work.

### Responsibilities & Procedures

A Safeguarding Officer will be appointed from within the Council and his/her responsibilities will include:

Ensuring that before any Parish Council organised event with children or vulnerable persons, the Safeguarding Officer brief participants appropriately.

Ensuring that members are aware of the risk they may face in certain circumstances whilst carrying out their duties.

Ensuring that whilst Council members are unlikely to be involved with children during the performance of their duties, they are mindful of the risk they face.

Ensuring that before any volunteers or paid members of staff are recruited to work with children and vulnerable persons they are interviewed and two references taken up.

Decisions on whether any person should be DBS checked will be made by the Council or the Chairman after consultation with the Clerk following risk assessment.

All new councillors are to be provided with a copy of the child protection policy and are required to acknowledge they will abide by it.

Councillors will adhere to the 'List of Recommended Behaviour' namely:

- A minimum of two adults present when supervising children.
- Not to play physical contact games.
- Adults to wear appropriate clothing at all times

- Ensure that accidents are recorded in an accident book.
- Never do anything of a personal nature for a young person.

Keep records in an incident book of any allegations a young person or vulnerable adult may make to any committee member or volunteer. Incident book to be presented to the Parish Council full meeting for inspection

If there is an abuse incident it should be reported to the Safeguarding Officer who will be responsible for ensuring the matter is handled in accordance with the Local Safeguarding Children/Vulnerable Adults Board procedures and also referred to the Council for further action as appropriate and future risk assessment.
