1. Welcome & Apologies

Apologies from Peter Larcombe.

2. Declaration of Interest - Declaration of any pecuniary or other interest with regards to items on the agenda. Judith Hobbs had not yet joined the meeting at this point and Miles declared an interest in the proposed maintenance project for Blacksmiths Loke on her behalf.

3. Minutes of The Last Meeting and Matters Arising –

The minutes of the Parish Council Meeting held 3rd February 2020 were proposed and seconded. These will be signed by the Chair and the Clerk at the next physical meeting.

4. Review of Internal Controls – The clerk explained the Internal Control procedure and documents, which form part of the Independent Internal Audit procedures. Paul S has agreed to take on the role of completing the internal control documents for the year ending 31st March 2021. A vote was taken and this was agreed by all councillors.

5. Review of policies – The Standing Orders were reviewed and agreed by all councillors. The Risk assessment was reviewed and agreed by all councillors with some minor changes to wording required.

6. Flooding Back Lane – There has been flooding on some parts of Back Lane due to the ditches needing clearing. James R will supply the Parish Council with a document which demonstrates that ditches are the responsibility of the landowners who will then be approached regarding this.

7. Footpaths (retaining use of) - There is a map in the neighbourhood plan which shows all footpaths in Lound. The definitive map of the area also shows this. Most footpaths are being used and contractors clear any paths that are 'Right of Way'. The path that leads from the church to Blacksmiths Loke is in need of clearing. Miles said that he will do this.

Signed Chairman,  Clerk,  Date 4/8/20

8. Updates –

Neighbourhood Plan – The neighbourhood plan plus appendices and supporting information was submitted to East Suffolk Council about 4 weeks ago. This will be reviewed formally. The inspection which was due on March 21st 2020 has been deferred due to the Covid 19 outbreak.

ECB Grant (Blacksmith's Loke) – Miles presented a proposed plan for going ahead with this work. (appendix attached).

This will be funded as follows: ESC grant - £1,000
 Suffolk locality grant - £1,000
 Contributions from residents at £100 each - £ 900
 CIL - £ 192.33

Balance to be paid by Lound Parish Council. It may be possible to claim back the cost of VAT.

A vote was taken and all councillors agreed to go ahead with this project.

Three quotes were considered and a vote was taken. It was agreed by all councillors that Sam Perk's was the first choice providing the depth of surfacing matched that of another quote. Miles will check this. The reason for this choice was due to the price, which although not the cheapest, was comparable, and all councillors wished to support a local firm.

Internal Audit – The Clerk gave an update regarding the Internal audit and the AGAR process. The AGAR documents will need to be agreed at the next meeting.
